GROGAN'S

Ours is a store of honest and dependable values in Furniture and all kinds of home furnishings.

We purchase our stocks with this one thought in mind—that our customers give us their confidence, and rely upon our honesty and judgment when they buy the goods we recommend.

When reliable, time-tested lines of Furniture are sold on a very moderate margin of profit there is no opportunity for sensational offers.

We show you Furniture and Carpets upon which you may depend for years of satisfactory wear; we mark their prices in figures you can read, and we will sell you more goods for the same payments, or the same amount of goods on smaller payments, than any other house in Washington.
